

Women in Funds Monthly Events

Event Sponsor

Support our community and celebrate us in an impactful way as a sponsor of one of our monthly gatherings. Event Sponsorship offers a warm and inviting introduction to our community of leading women in the private funds Industry.

Structure of the event:

Our monthly events usually have four basic components, (1) a special educational or inspirational segment, (2) thanking and introduction of the event sponsor and words from the sponsor, and (3) socializing over appetizers and drinks. Sponsors are welcome to introduce themselves or to share insights or professional developments.
